Re: Denise Hairston o/b/o J.T.S. v. Commissioner  
of Social Security  
20 Civ. 5600 (KHP)

Dear Judge Parker:

Plaintiff filed a motion for attorney's fees under the Equal Access to Justice Act in this case on June 6, 2022. See Docket Nos. 46-48.

On that same date, I sent the Commissioner's counsel an email about a possible briefing schedule. The Commissioner has not responded. This continues a somewhat odd pattern of not responding to various deadlines at other stages of the case. See Docket Nos. 31, 33.

I would now like to propose that the Commissioner be allowed 30 days from today to respond to plaintiff's motion and that plaintiff be allowed 21 days for her reply. This would have the Commissioner's answer due on July 13, 2022 and plaintiff's reply due on August 3, 2022. Any other reasonable proposal from the Commissioner would be acceptable to plaintiff.

Thank you for considering this request.

Very truly yours,

  
James M. Baker
